ALMA MATER

Lucedale High, our Alma Mater,
You're the school we love;
Firm you stand for truth and honor,
Bright as stars above.

In these halls we gained our knowledge,
Made our friendships true,
Now we sing our song of praises
L. H. S. to you.

We will keep our Alma Mater

OFFICE OF THE SUPERINTENDENT

TO THE CLASS OF 1951:

It is a pleasure for me to extend my congratulations to each student who is completing the requirements for a high school diploma. You constitute a group which has persisted toward this goal in spite of the allurements and the temptations to curtail your education and enter upon life's duties without adequate preparation.

I am sure it is the cooperation and sincere effort on the part of both students and teachers that has made Lucedale High School what it is today. As a result of this association and friendship with you, I have great faith in your capacity to play well your role in building an even finer civilization than the one in which we now live.

May I express my sincere wishes for much success in all of your future undertakings and assure you that Lucedale High School will always welcome your visits in the years to come.

Sincerely yours,

O. Z. Smith
